

# Stretchers Youth Organization (SYO) Commitment

## Narrative

In Kenya, Stretchers Youth Organization (SYO) a community-based organization focuses on the needs and potential of the largest young generation in history. SYO is committed to creating demand for and access to sexual reproductive health information, promoting human rights & gender mainstreaming, democracy and good governance through services and linkages to youths and women. SYO, while working to make these commitments, we worked with champions and FP/SRH advocates and communities to meaningfully identify areas that can influence sexual reproductive health among adolescents and young people, Family Planning and progressive policies through training and capacity strengthening.

## Outcomes & Values

- By the end of 2025, 20,000 adolescents and young people (10-24 years) of Kenya have increased their knowledge on sexual reproductive health including family planning and have access to desired information and services they seek.
- By end of 2025, teenage pregnancies among adolescent girls (10-19 years) reduced from 15% to 13% in Kwale County.
